

**TO WHOM IT MAY CONCERN**

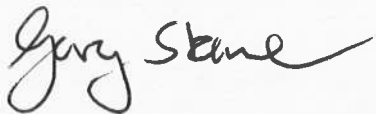

Dear Sirs

**DEREK BOLTON : ALTEREGO CONSTRUCTION & INTERIORS (CONSULTANCY) LTD**

We have worked with Derek Bolton on a wide range of healthcare projects for more than five years. During this time we have found Derek to be a dynamic driving force who has ensured that projects are successfully delivered within challenging environments, with tight budgetary and time constraints.

Derek has always been professional and diligent in his role a Project Manager.

Yours faithfully

**Gary Skene**
